<p style="text-align: center;"><b>Policy Title: Environmental Policy</b></p>

**Purpose**

Label and Litho Limited is a manufacturer of self-adhesive labelling. We recognise that the processes we operate have impacts on the environment and that we have a responsibility to minimise our environmental impact.

**Label and Litho Limited is committed to:**

- Reducing waste
- Maximising the efficient use of energy and water
- Preventing pollution
- Reducing polluting releases into the environment
- Complying with all environmental legislation, applicable consents and codes of practice to which the company subscribes
- Continual improvement in environmental performance.

**Label and Limited will achieve these commitments by:**

- Maintaining an environmental management system
- Continuing to identify potential environmental risk – impacts and aspects
- Setting and reviewing progress towards environmental objectives and targets
- Liaising with suppliers to encourage the adoption of environmental responsible practices

The Environmental Policy will be reviewed annually in November of each year.
